## **About Our January 17th Meeting**

Happy New Year! Our elections were held in August, at which time Ben was re-elected Treasurer; Trish and Brett were re-elected as Board Members; Arty was re-elected as Vice President; and Barbra was elected Secretary. There will be two positions up for election this coming August: President and one Board Member position.

## **Your Attendance Is Strongly Urged!**

There are no major or time-sensitive issues planned for the January meeting. Common discussion topics will include road repairs and snow plowing, along with the Secretary's Report and Treasurer's Report. It'd be great to see you there!

## **Winter Needs Your Cooperation, as Does Spring Dock Installation**

With winter upon us, we'll be sure to experience some difficult weather, for which we need to give ample room to allow our plow to do its cleanup and de-icing. Watch for an email call for volunteers to help reinstall our docks in the spring. Please join us at our January meeting to contribute your ideas. Thank you so much!
